Re: Information Request for the Proposed reversion of bid 95192119.

Mr. Seifer:

As you have been made aware of I will be investigating the proposed reversion of Laborer Custodial PTR duty assignment #95192119. I would appreciate your office's cooperation in providing all relevant information concerning this matter.

I am requesting that the following documents be made available to me in order to properly identify whether or not a grievance does exist and if so their relevancy to the grievance:

- 1) I need to know the official date that Lamar Pridgen vacated job #95192119 and please provide copies of his Form 50 showing the move to another facility.
- 2) A copy of your current maintenance staffing package for the Auburndale Post Office.
- 3) Are there any other Maintenance Craft employees (including PSEs) working in or attached to the Auburndale Post Office? If so I need a current seniority list for said employees.
- 4) A copy of ABID report "DA01 – Duty Assignment by job title" for your facility. This report is pulled from the ABID system and shows all maintenance jobs within your facility.
- 5) Copies of any Route Sheets / Assignment orders for Lamar Pridgen from October 1, 2015 to the present.
- 6) Copies of any other Documents, Postings, Letters or Memos that were used / posted in your facility concerning the proposed reversion of duty assignment 95192119.

Thank you in advance for your assistance in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Benjamin Love".
