Re: Information Request for the Proposed reversion of bid [70968180](#).

Mr. Staker:

As you have been made aware of I will be investigating the proposed reversion of Building Equipment Mechanic duty assignment #70968180. I would appreciate your office's cooperation in providing all relevant information concerning this matter.

I am requesting that the following documents be made available to me in order to properly identify whether or not a grievance does exist and if so their relevancy to the grievance:

- 1) A copy of the Notice of Intent (bid posting) which resulted in duty assignment 70968180 becoming vacant.
- 2) A copy of the Successful Bid And/Or Promotion Candidates (job award) which resulted in duty assignment 70968180 becoming vacant.
- 3) A copy of the current Promotion Eligibility Registers (PER) for the Maint. Craft within your facility.
- 4) A copy of the current Maintenance Craft Seniority lists for your facility.
- 5) A copy of ABID report "DA01 – Duty Assignment by job title" for your facility. This report is pulled from the ABID system and shows all maintenance jobs within your facility.
- 6) A copy of your current (4/29/2016) maintenance staffing package.
- 7) Copies of any other Documents, Postings, Letters or Memos that were used / posted in your facility concerning the proposed reversion of duty assignment 70968180.

Thank you in advance for your assistance in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Benjamin Love".
