Re: Information Request for the Proposed reversion of bid **70968180**.

Mr. Staker:

Thank you for following up on my request for information. I received what you sent me via email thus far. While going through it though I realized that there are a couple of key items missing.

Item 2:

A copy of the Successful Bid And/Or Promotion Candidates (job award) which resulted in duty assignment **70968180** becoming vacant. --- This is an ABID report showing who was awarded job **70968180** in conjunction with Posting # MNT-16002.

Item 4:

A copy of the current Maintenance Craft Seniority lists for your facility. --- Another ABID report.

Item 6:

A copy of your current (4/29/2016) maintenance staffing package.

I would appreciate it if you would forward the above information as soon as possible so that I can conclude my investigation into this proposed job reversion.

Thank you in advance for your assistance in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Benjamin Love".
