Re: Seminole P&DC Safety and Health Committee

Alicia:

To ensure the APWU's presence in your installation for the monthly Safety and Health Committee meetings, I am assigning Eddie Starkes as the APWU representative. Since he works in the facility, it would be advantageous to all committee members, regardless of craft, that the bargaining unit employees represented by the APWU have a voice that is on-the-floor in your installation. Mr. Starkes takes Safety quite seriously as do we all, including our local Safety and Health Director, Stephen Nelson.

Please add Mr. Starkes to your e-mail distribution list(s) and continue to include Mr. Nelson as well. The Central Florida Area Local takes the safety of our employees seriously and we want to be active participants in these meetings going forward. If you have any questions and/or concerns please feel free to contact me anytime.

Mr. Starkes e-mail is: [eddiestarkes@gmail.com](mailto:eddiestarkes@gmail.com)

Sincerely,

A handwritten signature in black ink that reads "Joe Paul".
