Re: Concerns/Issues

Ivey:

On March 26, 2018 I sent you a letter addressing a few concerns that I had with regards to the Sebring Installation. Today I want to address a few other concerns. The first is that 'if' you place any employee in the temporary position of a 204B you **must** notify the APWU in '**advance**' of any such detail. Also, any so-called detail as a 204B can be for "no less than 14 days and no longer than 90 days for an absence and/or vacancy."

Article 37.3.A.8 from the Collective Bargaining Agreement states:

*Form 1723, Notice of Assignment, shall be used in detailing clerks to temporary non-bargaining unit positions (204b). **The Employer will provide the Union at the local level with a copy of Form(s) 1723 showing the beginning and ending of all such details.***

Article 1.6 states:

204B DETAIL

PS Form 1723, which shows the times and dates of the 204-B detail, is the controlling document for determining whether an employee is in a 204-B status. A separate PS Form 1723 must be used for each detail and a copy of the Form 1723 shall be provided in advance, to the union at the local level.

Another concern that I have involves a pay error, which I am assuming was merely an overlook on either your part or that of one of your EAS staff. PSE Eva Stopko was receiving Level 7 pay for the higher-level work she, is and has been, performing on Sundays for you. Apparently, she did not receive it on the last pay-check so please make that adjustment and ensure that she continues to receive this going forward. Also, so that the APWU can certify that the work-schedules are correct, and that we can maintain a copy of each, please forward a copy of both work schedules for the Main Office and the Lake Jackson Branch to APWU Steward Billy Shannon on Wednesdays, and on Tuesdays for the Holiday work-schedules.

Sincerely,
