Re: AUGER Grievance System

Judy:

I have contacted you previously regarding when my Stewards and Officers are going to be scheduled for this AUGER System, but as of today I have not seen a schedule for us. Many of our Stewards/Officers work varied Tours and it is imperative that these employees be given changes of schedules to attend this training on-the-clock ASAP.

Please ensure that **all** of the Central Florida Area Local's Stewards are scheduled for this training in either Mid-Florida or Orlando. At this point in time I was only advised that (1) of our Stewards/Officers, Victor Sanchez, has been notified. I have listed the others that need to be scheduled below:

1. Edward Sanchez (Seminole P&DC)
2. Benjamin Love (Seminole P&DC)
3. Peter Fournier (Seminole P&DC)
4. Stephen Nelson (Orlando P&DC)
5. Darren Panlaque (Seminole P&DC)
6. Wanda Wroten (Orlando P&DC)
7. Tracy Williams (Orlando P&DC)
8. William Raupp (Orlando P&DC)
9. Ram Rewah (Winter Garden)
10. Frank Marra (South Creek/Sand Lake)
11. Maria Almanza (Debary)
12. Gilbert Vega (Orlando P&DC)
13. Sedric Reid (Windermere)
14. Ron Hester (Orlando P&DC)
15. Joe Paul
16. Robert McSorley

Below is what I received on Friday, January 8, 2016 via an e-mail:

*“The new AUGER Program will be rolling out in our four states beginning the month of January 2016. It is **required** for all Step 1 and 2 APWU and USPS representatives to attend the training. Below are the training dates as well as the name of the NBA assigned to each*

District. Please make arrangements for your people to participate in these sessions. Contact the responsible NBA or Bob Bloomer with any questions or problems.”
