Don Shandor  
Plant Manager  
Seminole P&DC

Don:

I copied Mike Vasquez since I was not sure if he was involved in the USPS Christmas operations in so far as the Orlando STC detail. I sent you both an e-mail yesterday hoping we could meet to discuss the upcoming Christmas mail season as per our LMOU, but I have not heard from you yet. As far as the attached sign up sheets, I am being asked a lot of questions concerning the posting soliciting volunteers. I do see that you are inviting Mail Handlers, but some of the questions I have are as follows:

1. Are there going to be General Expeditors at this Annex,
2. Where is this Annex going to be located,
3. How long is this operation anticipated to be in operation,
4. What are the hours of operation going to be,
5. Will any Custodians be involved,
6. Are there going to be 'any' Clerks/Maintenance employees utilized at this Annex,
7. Is this operation only dealing with the Seminole P&DC and not the Orlando P&DC,

Of course the questions and inquiries are coming up and I would like to be in front of this scenario so that I can keep my membership informed. Please let me know when a good time to meet and discuss this, as well as the entire Christmas operation will be. Thank you in advance.

Sincerely,

President
