Re: UPDATED 'Closed Section' Bid Sheets

Don:

Please see that every Clerk on all 3 Tours receives the **UPDATED** 'Closed Section' Bid Sheets from management. Simply telling the employees that 'there are some extra bid sheets in the Training Room or Control Center' or wherever the employees were told they are, is **unacceptable**. I spoke to Mr. Widows 2-3 times today and sent a couple of e-mails as well to make sure this happens. I was called this evening and informed from a few Clerks that they were not handed copies, but were told there were some up front in the Control Center or Training Room (unsure which). Obviously, this is not the follow-thru the APWU would consider acceptable, and one would think that the USPS management staff would also find this unacceptable. I am simply asking you to hand these UPDATED 'Closed Section' bid sheets to **EACH** Clerk. Consider this e-mail to be yet another notice from the APWU that if there continues to be this disregard for my members there will be monetary issues forthcoming, as well as additional avenues to we will pursue. This is not a difficult task, and keeping my members, and your employees informed as to the latest changes is in everyone's best interests. It is bad enough that the APWU is **NOT** in agreement with this USPS Function 1 Scheduler that is going on nationwide, but this changing of bids via reposting's and abolishment's affects my member's lives, and with that, we will be have quite a few issues in the grievance arbitration process on these issues.

If you feel that you do not think that our employees deserve to have these UPDATED 'Closed Section' bid sheets handed to them, as opposed to thinking that these so-called extra copies are lying around for them to pick one up, please respond back as such and I will address that accordingly at my level and above. I look forward to your soon response and I feel confident that you will do the right thing. If you have any questions and/or concerns feel free to contact me.

Sincerely,

A handwritten signature in black ink that reads "Joe Paul".
