Re: Inappropriate Management Behavior

Mike:

I have just received a very disturbing e-mail trail which copied 29 of your EAS staff. I have attached all of those e-mails with this letter. I have fielded complaints from members on Tour 1 and other Tours, as well as from various members of your staff, regarding Tour 1 MDO John McTigue. As you can see in that e-mail trail, Mr. McTigue makes disparaging remarks about employees under my jurisdiction; remarks which are inappropriate and cannot be tolerated. Of all of the EAS members in this e-mail, there were only three members of your staff that came to the defense of the bargaining unit employees by standing up against any type of bullying behavior.

I hope that this situation will be addressed right away and that I will be informed of the outcome. Should I not hear from you within a reasonable time frame, I will have no choice but to pursue this matter further.

Thank you,

President
