Attention all APWU Members

At this point in time, the Central Florida Area Local does not have a Facebook page. Further, our Local is not affiliated with anyone's personal Facebook page, nor are we responsible for any information and/or advice that may be given on any Facebook page or other non-affiliated website. If you do have contractual questions or concerns, please feel free to speak with one of your Stewards or Officers, or contact the Union Office directly to speak with me or Vice-President Bob McSorley.

Our Local's website is at www.CFAL1462.org. It is our intention to keep this website updated as we move forward. If you are not a registered participant, please take the time to fill out the required information and our Webmaster will see that you are granted access.

Your new Officers have been in office for close to 2 weeks now and I am excited about the future of **OUR** Local. We are excited to hear from the ten or so members who are interested in becoming Stewards/Alternates in our Plants and Associate offices. We will be holding a Stewards Class within the next few weeks and the training will be an ongoing process to make sure that **OUR** member's contractual rights are defended at all times.

I have an e-mail distribution list where I send out updates. If you are not already on this list and would like to be added, just send me an e-mail to JPaulAPWU@gmail.com. I make sure to keep your email addresses private and do not share them.

I hope you all had a wonderful time over the holidays and that we all have a safe and prosperous new year.

In Solidarity,

A handwritten signature in black ink that reads "Joe Paul".

Joe Paul
President
Central Florida Area Local
